“Father God, in Jesus’ name, we thank You for protecting us Your people in these last days. We thank You that You have a plan; that You

are in control; and that You have allowed us to participate through prayer in Your plans and purposes for the earth.

So Father God, because Your Word says that it's Your desire to send angels to separate the wheat from the tares and to burn off all unrighteousness, we invite you right now: Release Your fire angels on the earth!

Father God, let Your fire be released. Let it bring purity and holiness. Let Your angels release the fires of the Holy Spirit around the globe, and in the hearts of Your people.

Jesus, baptize us again in fire. Let the hearts of Your people burn brightly again for You. Purify us. Refine us. Bring purity and refining to the lost. Save them, Lord. Let a great, billion-soul harvest of souls come forth, so that many may be saved for Your Kingdom.

Father God, in Jesus' name, let the Lamb that was slain, Jesus Christ Your holy Child, receive His full inheritance on the earth through this releasing of fire angels to do Your work and carry out Your plan for these last days.

Thank You, Father. In Jesus' name, amen."
